On 14 June 1977 a Co-Production Agreement has been signed between Germany and Sweden. It entered into force on the same day.

The Agreement applies to full-length films made by German and Swedish producers jointly. Third country producers may join the co-production, if their country is linked to Germany or Sweden by a films co-production agreement.

Financial contribution of a co-producer shall be at least 30%; in the case of multilateral co-productions, 25% are the minimum. Under certain conditions, the minimum participation can exceptionally be reduced down to 20%
