In April 2006, the Chamber of Deputies of the Czech Parliament adopted the law amending the Cinematography Fund Act (Act No. 241/1992 Coll. on the Cinematography Fund).

The amending act should have entered into force on 1 July 2006. On 12 May 2006, however, the President of the Czech Republic vetoed the law. Therefore, the amending act could only enter into effect if a qualified majority of the Czech Parliament (i.e., 101 deputies) overrides the veto. This was not the case, so finally the amending act did not enter into force.
